# 12TH INTERNATIONAL BASIC INCOME WEEK

16th-22nd September

## CALL FOR PARTICIPATION

Money is just an invention — not a law of physics. The rules around money valuation, creation, distribution are man-made. Do they work for you? Or are they causing stress, shame, and destruction in your life, family and environment? Let's recreate these rules and make money work for all people!

Send us your thoughts about this with the hashtag

How can you get involved during International Basic Income Week? Organise an event, discuss UBI with others, spread the news on social media with the hashtag [#basicincomeweek12](#), get together for the 2nd international Stammtisch on Friday, 20th Sep!

We can help by linking you up with experienced organisers, speakers and promoting your event via our shared website [basicincomeweek.org](#). New participants are always welcome! Get in touch with us via [basicincome.org](#).

*What is **Unconditional Basic Income**?*

*As a legal right, UBI is a regular income paid by a political community to all its members from cradle to grave. It is Universal, Individual, Unconditional, and High enough to live with dignity.*
